

SIMI VALLEY Job Fair!

Connecting Employers and Candidates!

July 27, 2021 | Simi Valley City Hall

Presented by:

Bringing business and community together to promote a healthier Simi Valley

Thank you for participating in the Simi Valley Job Fair. This event was created to provide an opportunity for our City's businesses to connect with talent looking for employment.

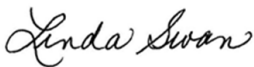

We hope you have a successful day and that you find an employment opportunity with one of the companies looking to fill their open positions.

Inside this program you will find valuable resources along with a list of the City's participating Job Fair employers with contact information.

The City of Simi Valley and the Simi Valley Chamber of Commerce work closely together to help our business community thrive. Many factors contribute to the success of business, including finding valuable employees. As we approach the end of the pandemic, our City businesses are looking forward to the future. It is our hope that today's event is a simple glimpse into the success that lies ahead for all.

If we can be of any assistance in helping you with your business needs, or if you have any concerns, please contact us.

Thank you again!
